Mission

The mission of the RN to BSN Program is to prepare nurse leaders who utilize an understanding of health disparities, rurality, and cultural humility to advocate for the physical and psychosocial health of the region's communities.

Vision

The Cal Poly Humboldt Nursing Program will revolutionize rural health care through nursing education to optimize new roles for nurses based on community engagement, leadership, and social justice.

Why a BSN?

Associate Degree in Nursing (ADN)

- Entry to nursing practice
- Preparation for National Licensing Exam
 - NCLEX

Bachelor of Science In Nursing (BSN)

- Advanced Critical thinking
- Research
- Leadership
- Public Health Certification
- Community Health Fieldwork
- Community Focused Capstone

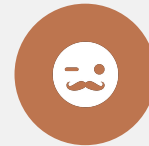

Why this Program?

Community health focused

Designed for working RNs

Blend of online and in-person coursework
(Intensives twice per semester, one in-person & one online)

Community health fieldwork- Capstone Project

Learn practical strategies to develop innovative solutions that promote a culture of health and wellness in our rural region

Public Health Nursing Certification- Required in CA to work as a Public Health Nurse

Veterans Affairs Department (VA) requires nurses to hold a Bachelor's in Nursing to promote beyond and entry level RN

Gain knowledge and skills to lead in a variety of settings in hospitals and beyond

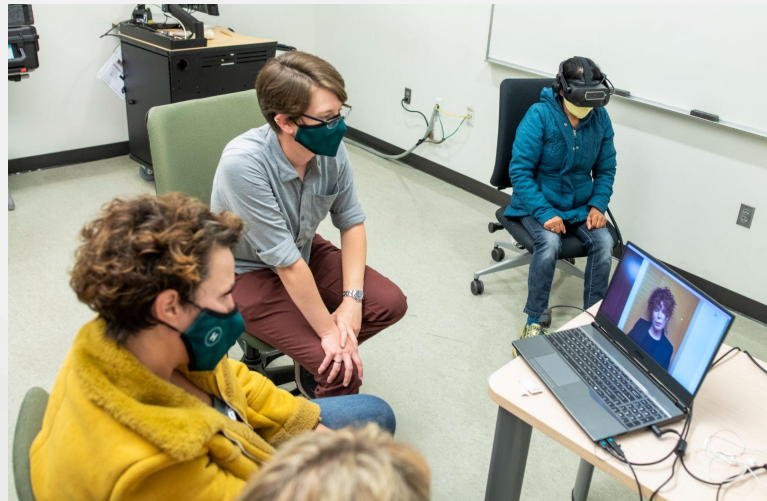

Personal career guidance/course navigation from Program Advisor

Emerging Roles and Opportunities for BSN Nurses

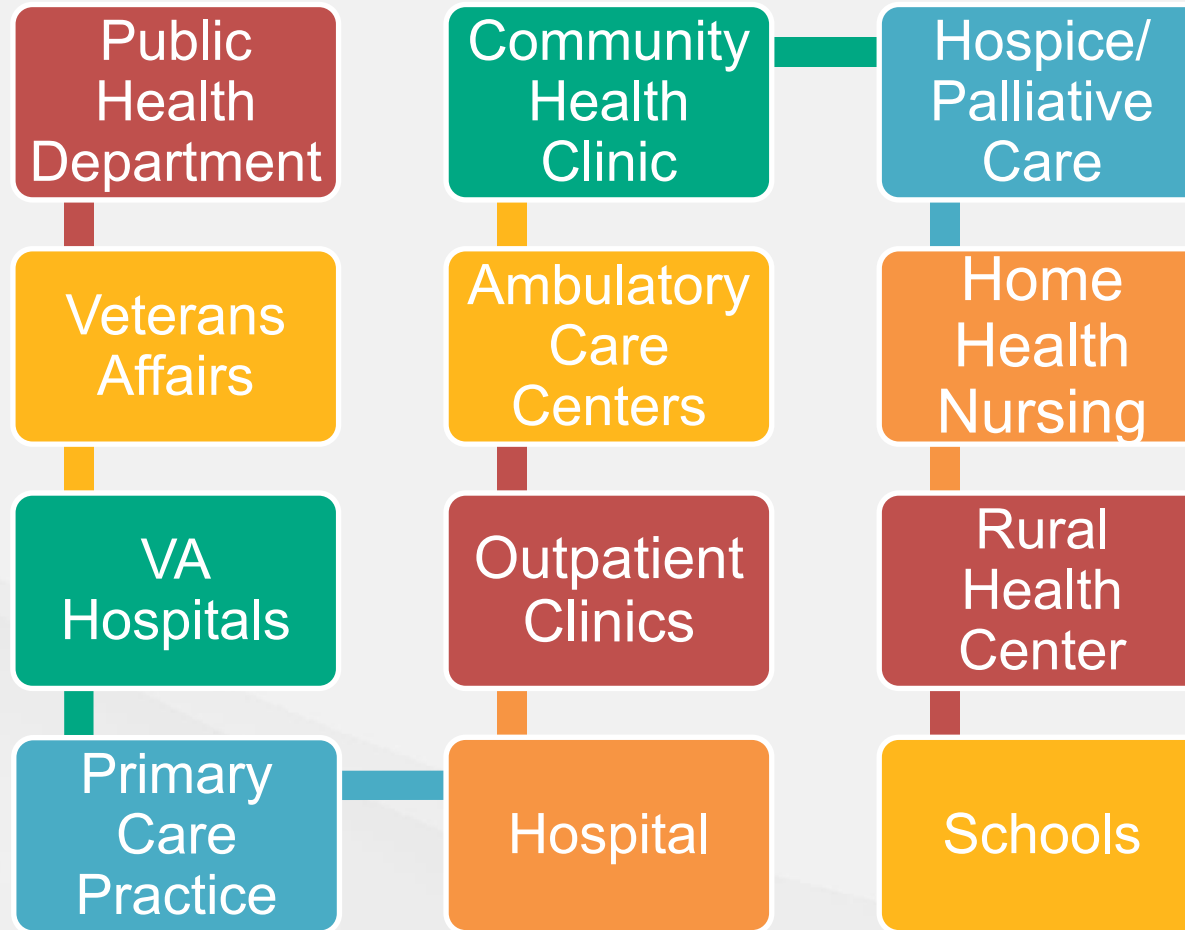

- Public Health Nursing
- School Nursing
- RN Care Coordinator
- Utilization Management
- Chronic Disease Manager
- Leadership and Management
- Team-Based Care Leader
- RN Visits
- Telehealth
- Health & Wellness Coach
- Health Education
- Disaster Response

Where You Will Work

Financing Your Nursing Education

- **Financial Aid**
 - FAFSA or Dream Act
 - File October 1 for next year
 - FAFSA
 - CA Dream Act
- **Scholarships**
 - Use the Power of Google
 - Cal Poly Humboldt Scholarships
 - Yearly opportunities
 - Professional Organizations
- **Employer:**
 - Ask about tuition reimbursement or other incentives for pursuing higher education!

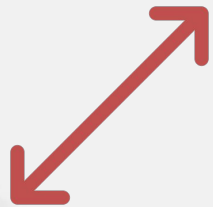

Nursing Shortage

- Advocate for yourself
- Ask about tuition reimbursement
- Employers need you and they need BSN prepared nurses!
- Talk about your plans for education and be realistic about time off for school.

Webpage Application & Instructions

Create an account at calstate.edu/apply

In your “Extended Profile” be sure to indicate you are pursuing a Bachelor’s degree and that you have 60 units or more (90 quarter units)

Choose Nursing at Cal Poly Humboldt

Fill in all required fields on the application and submit

There are guides for filling out the application at [**calstate.edu/apply**](https://calstate.edu/apply). They are very useful

There is a Helpline for you to call with application questions at calstate.edu/apply, at the bottom of every page.
